

# How to fit Robeez Tredz™

Elasticized back keeps the foot at the back of the shoe, providing support even when there is extra room to grow.

Adjustable fasteners allow Tredz to fit snug across the top of the foot.

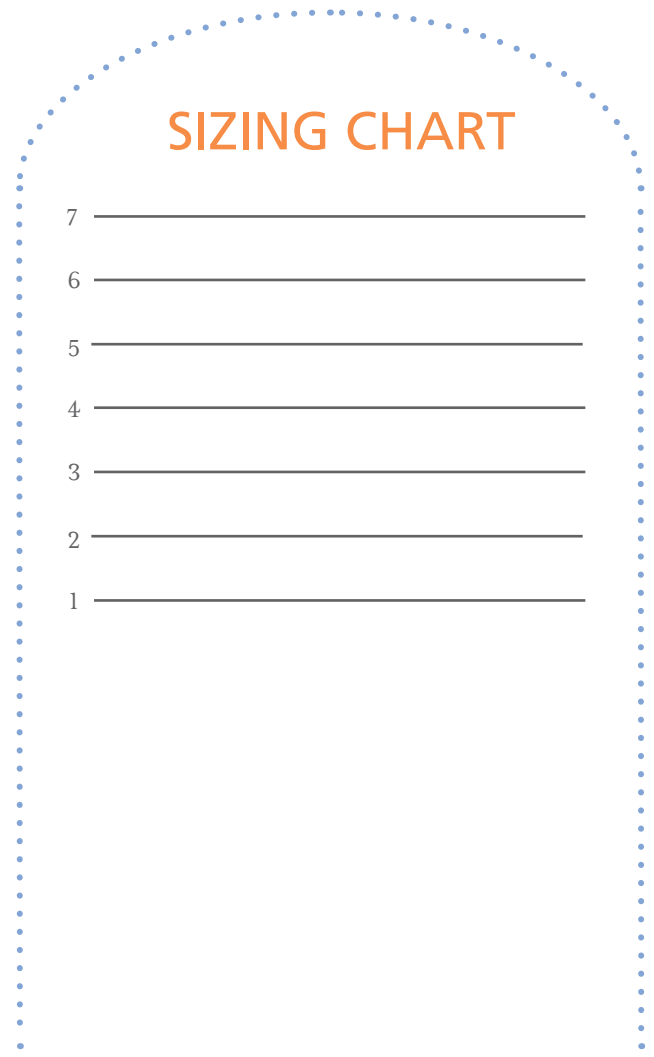

Flexible upper and sole molds to the foot, ensuring Tredz stay with the foot as it moves.

Non-slip, water-resistant TPR soles are perfect for outdoor wear.

## Measure your child's shoe size

Using the chart beside, stand your child with one heel lining up to the dotted bee trail. Gently press down the top of your child's foot and toes to make sure they are flat and toes are not curled.

The line that touches your child's longest toe indicates the correct size. Be sure to measure both feet as they may be different. Choose the size that corresponds with the longest foot.
