Indoor and light outdoor use
Durable non-slip suede soles.

Measure your child's shoe size

Using the chart beside, stand your child with one heel lining up to the dotted bee trail. Gently press down the top of your child's foot and toes to make sure they are flat and toes are not curled.

The line that touches your child's longest toe indicates the correct size. Be sure to measure both feet as they may be different. Choose the size that corresponds with the longest foot.
